

The Dwelling Place

December 2015

In the midst of our 14th year of The Dwelling Place, we're amazed (AGAIN!) as we experience the blessings of God and the faithfulness of our Friends of the Amigos. Without the continued support of people like YOU, The Dwelling Place simply could not happen.

The lives of Christopher, Matt, Eric, Alex, and Chris continue to daily enrich the community around them. Our team of families, caregivers, volunteers, supporters and board members are people who make such a difference at The Dwelling Place. Indeed, there is "No small service to God - it all matters."

We are so grateful for your ongoing prayers and support as we continue to live and love in the joy of community at the Dwelling Place.

Come and see us sometime in 2016!

Highlights of 2015 include:

- Rejoicing as Tina completed her training to become the Resident Manager of The Dwelling Place. This has lifted quite a daily responsibility from Kathy, who is slowly migrating into the place of becoming "just Matt's Mom."
- Celebrating Brian and Belinda's first full year as overnight staff, while still going strong!
- Being blessed by the skills of Administrative Assistant Diana who oversees accreditation for the employment service and bookkeeper Amy who has been a welcome addition.
- Sending off with joy faithful jump rope manager, Debbie, who has retired to the midwest to be near her grandchildren.
- Being grateful for longtime volunteer Mary who is moving into Deb's role as the jump rope manager.
- Depending on the faithful weekend caregivers, Mary and Kristine, who are part of the Dwelling Place family.
- Meeting our community through ongoing job opportunities with local businesses who employ this dedicated workforce.
- Rejoicing in the continued good health of the men who live at The Dwelling Place
- Engaging with increased opportunities to be ambassadors in our community, including a new opportunity with the Leos, a teen Lions Club.

And
Overflowing Joy
as we share life
in a community
of Hope, Peace
and Purpose!
